CHAIR, COMMITTEE ON PUBLIC SAFETY
& NEIGHBORHOOD SERVICES

WEEKLY UPDATE AUGUST 20, 2008

COUNCIL ACTIONS:

SEDC WILL CONTINUE AS A REDEVELOPMENT AGENCY..I have been joined by Mayor Sanders in requesting candidates to serve on the Southeastern Economic Development Corporation (SEDC) Board of Directors. Please provide my office with a copy of your resume by Monday August, 11, 2008 if you would like to be considered.

I thank the current members of SEDC's Board for their years of service. However, most of their terms to serve on the Board have expired and I am seeking qualified candidates with the necessary skills and expertise to further implement SEDC's goal of ensuring it has a strong, dedicated, and knowledgeable Board of Directors with an efficient and effective administration that will produce quality redevelopment projects that improve the economic conditions of our region, provide employment opportunities, affordable housing, and viable commercial development in the districts. During the City Council meeting of Tuesday, July 28, 2008 Councilman Jim Madaffer stated his strong support for SEDC continuing its mission as a separate redevelopment agency and providing quality redevelopment services. I thank all my Council colleagues for their support of my efforts.

On Tuesday, July 28, 2008 the San Diego City Council unanimously approved my recommendation to provide \$100,000 of Community Development Block Grant (CDBG) funding to provide an additional pro-active code enforcement officer who will work only in District 4 communities that are CDBG eligible. Code enforcement activities include addressing visual blight, graffiti, illegal land uses and building structures without appropriate permits in low and moderate income communities of District 4. The Council also approved my recommendation to provide

CDBG funding to St. Stephens Interdenominational Alliance to provide housing counseling, rehabilitation and financial counseling to low income residents in the 4th District.
